

Sons of the American Legion
Child Welfare Foundation Committee
Dedicated To the Betterment of All Children

My Fellow Blue Caps,

What a very enjoyable NEC meeting I attended this past weekend and you all need to give yourself a well deserved “Nice Job, Congratulations and Thank you”. The Sons have once again showed their generosity to the Child Welfare Foundation; over the 3 day weekend you have given \$88,010.70. This has taken The Sons donation to \$249,152.33... Fantastic!

CWF Committeeman Rob Brewer of Ohio donated a racing helmet decorated in the SAL emblems and asked that all Chairman, Committeeman, Vice Commanders sign the helmet. The helmet was then auctioned off and raised \$6,000 for CWF which was then presented to Commander Raymond “The Cat” Giehl for his dedication to CWF. NICE!

We are only 3 weeks until May 31 and the \$365,000 goal for Child Welfare is still very obtainable!

There are some Detachments that have to wait for their convention to make their donation so if you are one of these Detachments or you just haven’t had time to send in your donation please do so - the deadline is May 31st. Commander Ray and I are challenging all blue caps to beat this goal. Let’s show once again that we are the leaders in this program!

I am asking all Detachment Commanders, Detachment Children and Youth Chairman to contact their Squadrons and help them with their donation to CWF. The Squadrons may not know that their donations have to be in by May 31st and may try and give their donation at their State Convention or at the National Convention.

Deadline is May 31st

Don’t forget to mark the SAL Box!

Always remember that The Sons of The American Legion are:

Dedicated To the Betterment of All Children
